The Long View.

June 11, 1842 at a meeting of the Worcester Association of Ministers, a resolution was passed calling for a meeting in the Autumn for the purpose of awakening mutual sympathy and considering the wants of the Unitarian body.

These autumnal meetings were held each year until 1863, when the demands of the Civil War broke them up.

First one held in Worcester October 18-20, 1842.

Third held in Albany, N.Y. ~~xx~~  
At this Albany meeting Dr. Orville Dewey said,\*

" This and other conventions like it that are held in our body, I am inclined to think, have never been held before in the world. There is nothing like them to be found in the records of ecclesiastical history. We meet as distinct churches, on the pure democratic basis, which we ~~xx~~ believe to be the true basis of the Church of Christ. We meet without any formalities -- to institute or correct no canons -- without the slightest system whatever. We come to meditate, to assist each other in experience, by unfolding our own experience, by declaring our own Convictions."

RABIES WARNING FOR BABY  
N.Y.T. 7/18/41  
Police of 9 States Seek Family  
to Tell of Infant's Danger

The police of nine Eastern States, including New York and New Jersey, were asked yesterday by the police of Oklahoma City, Okla., to locate Mr. and Mrs. H. H. Hudson, and their two daughters, one an infant, presumed to be traveling by automobile between New York and Washington, to notify Mr. Hudson to get rabies treatment for his infant daughter. Since the Hudsons have left Oklahoma City, the child's pet cat has died from rabies, according to the alarm.

In requesting New York City police to join in the search, the Oklahoma City authorities said the family was riding in a 1941 sedan, bearing Oklahoma registration 2-38-860. Mr. Hudson is asked to telephone C. Tangner at Oklahoma City 5-8954.
