1.)And images that match the theme and change the *fonts*. Do not just put random images

(The first slide should have the title of the presentation and the full name)

Bad example

All about oceans

HELLO

Good example

All about oceans

2.) Do not add just images to your slide, you need to add words

Bad example

HELLO

Good example

Ocean facts

- Our oceans cover more than 70 per cent of the Earth's surface.
- The majority of life on Earth is aquatic. ...
- Less than five per cent of the planet's oceans have been explored. ...
- The world's longest mountain chain is underwater. ...
- There are more historic artefacts under the sea than in all of the world's museums.

3.)Try to add transparent background images If your changing the backgrounds color or changing it to a image.
