May 7, 1946

Dear Mr. Davis:-

Rev. Chadbourne Spring informs me that the list of ministers deceased since May 25, 1944 has been sent to you. There is one name that should be added to this list, - that of the Rev. Norbert F. Capek, D.D. who died in November, 1942. Word of his death did not reach us until this year and therefore, some mention should be made of it along with the others you have on your list.

Sincerely yours,

Orlo M. McCormack
