

Grounds For Faith in Religious Liberty.

Meaning of the phrase Religious Liberty.

Two aspects. ~~xxxxxxxx~~

A -- Internal. The experience of the girl called Ivanhoe. Heroism.

B-- Objective. External conditions that foster the spirit of Liberty.

Are there limitations.

Coleridge. "He , who begins by loving Christ better
ianity ~~more~~ than Truth, will proceed by
loving his sect or the Church better than
Christianity, and end by loving himself better
than all. "

This is a general moral law. Apply
in nationalism? In industrialism.

It marks out the road to disintegration
and conflict.

The other is the road to freedom and
peace. First personal. A personal achievement

Second a social state. Conditions of
which are removal of all artificial barriers
